G. STAFF RESPONSIBILITIES

GOALS AND EXPECTATIONS:

1. *Campers are your first priority.*

- a. Even though you will be a friend to your campers, you must still take charge and be a responsible adult. The parents are counting on you.
- b. Cabin leading makes heavy demands on you. Your desires have to take second place to those of your campers. We are here for the campers, to assure the best camping situation possible – NOT for our own desires.

2. *You need your own quiet personal devotion time.*

- a. You are doing God's work. You will need to draw near to God and God will draw near to you (James 4: 7-8).
- b. Use your time off to get away and spend time reflecting on the past week and preparing for the coming week. Take time to think and pray.
- c. Pray for your kids and their coming to know God.

3. *You need to get your rest.*

- a. Get to bed early and make good time of your time off.
- b. Have a restful time off. It is tempting to stay up late to socialize, but remember that one needs to come back to camp rested.

4. *Check your attitude.*

- a. Camp and being a cabin leader is not a holiday.
- b. It is about ministry and lots of hard work. You are on duty twenty-four hours a day.

5. *Support your Camp Director and the rest of the camp staff.*

- a. Support and encourage each other as you would like others to support and encourage you.
- b. Remember that you are part of a team. Do not let frustrations simmer. Deal with conflict immediately so that we can be effective ministers.

6. *You are an ambassador for Saskatchewan Mennonite camps and Mennonite Church Saskatchewan.*

- a. Remember that you are representing the camps when you are both on and off the camp site.
- b. Use language that is uplifting and conduct yourself in such a way that you will be a positive role model.
- c. Smoking is not permitted. Use of alcohol or drugs are prohibited.
- d. Be sensitive to the attitudes of the surrounding and supporting community.

H. CONCLUSION

Please carefully read the following statements (If you have questions or disagreements, please note them on a separate sheet). By checking the boxes you consent to the following statements:

1. CAMP PHILOSOPHY

Our camp exists as another means of proclaiming the Lordship of Jesus Christ to the glory and honour of God. To this end it will provide a context for learning experiences in which the Christian Church:

- a. Can give opportunity for campers to become followers of Jesus Christ and teach the importance of Christian daily living under his Lordship.
- b. Can provide a context under which campers will develop a wholesome sense of self worth, will learn practical skills in leadership development, interpersonal relationships, appreciation and respect for all creation, will learn practical skills of outdoor living and will develop a sense of stewardship thus responding to God through praise and worship.
- c. Can work at teaching and promoting outdoor education on a Christian based through a theology of creation in which God is creator of all things and we are the stewards, the caretakers of God's creation.
- d. Can achieve this through an integrated program which stands solidly on a biblical foundation.

2. STATEMENT OF PHYSICAL COMPETENCE

I am of satisfactory health and physical competence to consistently fulfill the tasks required by the position for which I am applying.

3. STATEMENT OF JOB AGREEMENT

I will carry out my responsibilities as listed on the previous page as well as those presented to me by those in authority over me for the furtherance of God's kingdom through our summer camps.

I agree, by the signing of this application, to abide by the previous statements during the period in which I am a camp staff person. I understand that failure to comply with these conditions could result in termination of my employment.

All staff are required to attend orientation unless alternate arrangements have been made.
